# Parents and Teachers Agree Back To School Night Is A Fun Place To Be

Back to school night gives parents the opportunity to become students once again. Parents enjoy meeting the teachers that they've heard so much about. Teachers try to guess which parents match up with which students. Back to school night is a great night for everyone.

# CLUBS AND ACTIVITIES

# — THE STUDENT COUNCIL MEMBERS — HARD AT WORK TO PROMOTE SCHOOL SPIRIT

This year the Student Council revitalized Dayton spirit by bringing back the cherished November Fall Festival. During this fun-filled week, the Student Council sponsored a very successful hall decorating contest and pep rally. In February, the Student Council also ran a Valentine's Day/Lip-Synch Dance. In addition, the Student Council also brought a proposal before the Board of Education calling for reinstatement of senior exemptions from final exams, and spearheaded a program which would provide photo identification cards for all students of the regional district. The Student Council is also planning to hold a talent show for its spring function.

# NATIONAL HONOR SOCIETY DEMONSTRATES EXCELLENCE

The National Honor Society is an academic organization honoring Dayton's finest students. In order to be a member of this distinguished group, students must achieve at least a 3.5 grade point average, and must demonstrate leadership, character, scholarship, and service to others. Under the leadership of President Nathaniel Zoneraich, Vice-President Janet Wilson, Secretary Gregory Saliceti, and Treasurer Monica Magee, the club works to uphold the tradition of academic excellence. Ms. Anita Tedesco and Mrs. Una Mellon aid in the selection of the students and serve as advisors for the club.

# WHAT IS MELOPOEIA? STUDENT WRITERS HAVE THE ANSWER!

Each year a select group of interested students produce Dayton's annual literary magazine, Melopoeia. The staff opens its doors to any submissions that students wish to contribute to Dayton's most prestigious literary journal. Careful consideration is taken in the evaluation of student writings. All genres are usually represented in the myriad of submissions the magazine staffers are compelled to review. Ultimately, a literary masterpiece of student writings is completed — and another Melopoeia hits the press!

# KEY CLUB PROMOTES STUDENT INVOLVEMENT

The Key Club is an organization dedicated to serve the community. This year's officers were: President Charlotte Jaffe; Vice President Preeti Singh; Treasurer Jason Poindexter; and Secretary Richard Hausman. The club participated in many activities to benefit others. Such activities included Food Banks, a Bowl-a-Thon for Leukemia, library clean-ups, and volleyball games to raise money for a girl dying of a liver disorder. All Key Club members should be proud of their success in aiding the community and proving true this year's theme "For Friendship's Sake."

# EXECUTIVE SEARCH CLUB SHARPENS STUDENTS FOR BUSINESS

Mr. Rossi's Executive Search Club is composed of students from the Accounting II class. During the year, the club takes field trips to observe financial operations of businesses. The activities include visits to the New York Stock Exchange, community services, fund raisers, and school displays. The course enables students to learn about successful and effective business techniques and, at the same time, have fun.

The Dayton Journal celebrates its 50th anniversary this year along with the school. Things have changed, but the Journal still puts out informative, entertaining articles, photos, editorials and surveys. The Supreme Court decision to allow administrative monitoring and editing of possibly harmful material did not put a damper on the Journal's production. Under the direction of Mrs. Kendler, chief editor Eric Weinstein and other editors Matt Zucker, Andrea Stein, Jeff Sumner, Matt Swarts, Thom Karamus, Greg Saliciti, Carl-Christian Jackson, Lynne Dahmen and Business manager Josh Brinen, the Journal has produced many interesting articles this year. Hurray for freedom of the press!

Top Left: "Ring around the rosie . . ." Top Right: "Hey, doesn't anyone want his or her picture taken for the newspaper?" Bottom: Sports Editor Jeff Sumner, Chief Editor Eric Weinstein and News Editor Andrea Stein check up some dubious facts in the Dayton Journal.

# DAYTON ARTISTS CULTIVATE TALENT

The Art Club is made up of Dayton students who enjoy expressing themselves through their artistic talents. On Wednesdays after school in GR\$, interested artists meet and cultivate their talents in drawing and painting. Many of the art club members desire to continue on with their talents and major in some aspect of art in college. Through the club, students, along with their advisor, Mr. Brodman, discuss each others works and supply constructive criticism. All artists and students who are interested in Art are invited to attend the meetings and improve on their artistic abilities.

# STUDENT AUXILIARY GREETS ALL WITH A SMILE

"Can you tell me how to get to the second floor?" "What time does the musical start?" The Student Auxiliary can answer these questions. These girls are seen at all school functions, ready to lend a helping hand. Wearing their blue and orange sashes, they happily point parents in the right direction during Back to School Night and Freshmen Orientation and distribute programs at the school plays and musicals. Without these girls, chaos would certainly arise.

# SCIENCE LEAGUE EXPLORES NEW HORIZONS

The science league, one of the most academic and challenging activities at Dayton, is a very popular activity. The league is comprised of students in Biology, Chemistry and Physics classes who all compete in area science tests. Mrs. Shanahan, Science supervisor, is the advisor of the club and is responsible for arranging the different competitions and tests. Every month Dayton students get together with other schools and compete in their specific area of science. In this league, students are able to sharpen their skills and apply their interests and abilities. The members of the Science League have proven themselves to be Dayton's top students.

# DAYTON STUDENTS STAR ON TELEVISION

Traditionally, interested Dayton students have participated in the TV-3 affiliated Challenge contest — and traditionally, Dayton Challenge teams have done exceptionally well in the heat of competition. This year, however, the trivia wheel took a turn in the opposite direction, as Dayton was chosen to compete in the select New Jersey Rutgers Bowl — an elite contest for educated youths. Dayton 'Bowlers' Greg Saliceti, Mike VonDerLinn, Ted Roth, Scott Oliver, and Richard Houseman fared well for our grand old school. In the preliminary round of competition, our enthusiastic squad beat fierce Whippany Park by a margin of 505 to 285. In the next round, Dayton proved itself again, romping obviously-inferior Point Pleasant Beach with a fortuitous final score of 540-150. Unfortunately, all good things must come to an end — and our Bowlers proved no exception. They were eliminated by a very lucky but motley crew from Scotch Plains in the quarterfinals of the State Championship. Mr. Fox, the faculty-advisor and skipper of the Dayton crew, nonetheless, was extremely pleased with this year's fine minds.

# LE CERCLE FRANCAIS: UNE BONNE ANNEE!

This year's French Club is a whirlwind of activity. Starting off with a French cooking activity, the club has put a large emphasis on French culture. They took a trip to Rahway Theater to see a production of Moliere's "L'Avare" in early December and a few of the members went to New York City to see the Broadway production of "Les Miserables." Fundraisers this year include, Croissant and O.J. sales and a Chocolate sale. In the spirit of Foreign Language Week, The club put up French room signs, Sold croissants, and held a button contest. The winner received free passage when the club planned its trip N.Y.C. this spring. Despite the long absence of the club's advisor, Miss Carolyn Fahrman, officers Matt Zucker, Preeti Singh, Stephanie Raulke, and Anne Holester, under the temporary direction of Mrs. Tedesco, have kept the club active and "vivant" all year!

## **“SHALOM” FROM THE HEBREW CLUB!**

The 1987-1988 Hebrew Club had an invigorating year. Officers Beth Manes and Robin Mishkin planned a trip to New York to see the acclaimed Off-Broadway presentation, "A Shayna-Meklel", with Melissa Gilbert. The Hebrew Club also conducted several excellent discussion groups dealing with U.S. & Israeli relations and the current situation in the West Bank. Our Hebrew teacher, Mrs. Eckman has also been able to teach Hebrew 3 for the first time in five years. Congratulations to Mrs. Eckman and the rest of the Hebrew Club. SHALOM!

# HOORAY FOR THE ITALIAN CLUB

This year's Italian Club has many activities planned. The Italian Club is planning a trip to New York possibly to go and see an Italian movie and visit Little Italy. The Italian Club is also planning a large dinner for all four schools in the district. A trip to Italy may also be planned. The Italian Club's president is Joanne Esemplare with advising president Maria Centamore. Lorraine Apicella is vice-president, Marylou Zotti is treasurer, and Michelle Murray and Jodi Verbel are the secretaries.

## LATIN CLUB: IN MEDIAS RES

Thirty-two students at Jonathan Dayton are members of the J.D. Latin Club. This club is also member club of the New Jersey Junior Classical League as well as the national organization. This year, for the first time, a member of the Latin Club was an officer in the N.J.J.C.L. David Brooks held the office of Publicity North in the N.J.J.C.L. The Latin Club had another active year in 1987-88. In October, the club held its annual Halloween Party. On March 5 the club sent two teams to compete in the Northern NJ Intersect meet held at Cranford High School. In the upper division, the team of Scott Wasserman, David Brooks, Curtis Feng and Keith Fernbach finished fifth and in the lower division, the team of Jeffrey Brooks, Michael Alder, Cheryl Anne Schmidt and Scott Oliver finished seventh. The Latin Club, at this time, is planning to attend the state convention which will be held April 30 at Wayne Valley High School.

# EL CLUB DE ESPANOL SAYS "HOLA"

The '87-'88 Spanish Club had a very active and exciting year. In the beginning of this school season, many of the club members took a trip to the New York City Town Hall to view a Spanish Flamenco Concert. The students then ate at the authentic Spanish restaurant Meson Botin. The club also visited Brearly High School for a performance by the Spanish musical group Las Tunas. Dayton was represented by the Spanish Club President Pamela Nadzan who acted as "madrina." Pamela presented the singer with ribbons of orange and blue. The final trip for the club members who were the top candy sellers of the Spanish Club Gertrude Hawke Candy Sale was to the United Nations. This trip took many of the students to New York for a unique opportunity to view the inside of the U.N. As an addition to the club activities, the Trivia Bowl was the most exciting and successful activity of the year. The game was conducted by Senor Farrell, Senor Ortiz, and Mrs. Levy. The trivia game was spoken in Spanish in which two teams of twelve attempted to answer questions pertaining to Spanish history, culture, vocabulary, grammar, geography, and food. Each of the twenty-four participants received Spanish notecards and an invitation to a catered reception which was the grande finale of the competition. This has been one of the most entertaining and eventful years for the Dayton Spanish Club. Thanks given to President Pamela Nadzen, Vice-President Steven Dorlen, Treasurer Mark Benjamin, and Secretary Dayla Rubanenکو.

# ACTORS TAKE THE STAGE BY STORM

The Drama Club had a very exciting and successful year. This year's members tried out and showed their wonderful acting abilities for the school's play "Enter Laughing" and musical "Once Upon A Mattress." Many members of the club became involved in the play by either performing or helping backstage with scenery, lighting, and many other jobs. The best actors and actresses became eligible for membership in the National Thespian Society, with recommendations from Mr. Trinity, the club's advisor. President Robby Hilliard, Vice President Jay Jellinek, and Secretary Lauren Sueskind, wish continued success with the future Drama Clubs. Good Luck to the Drama Club of '89.

# This year's play had both the actors and the audience . . .

## "Enter Laughing"

This year's play was "Enter Laughing" by Joseph Stein, adopted from the novel by Carl Reiner. It was produced and directed by the only and only Mr. Joseph Trinity. The student directors were Kathy Fitzgibbon and Angelica Lopez. Stephen Matrick starred as David Kolowitz. Also in the play were Greg Saliceti, Jason Schneider, Tifane Visitacion, Ray Foley, Thomas Karamus, Walter Boraczek, Joshua Brinen, Jennifer Schaedel, Lauren Sueskind, Andrew Kessler, Jeanne Minieli, Stacey Meissner, Michael Vonderlinn, and Kim Latham.

"One more time, then we'll go home." "But it's raining!" "So?" Just a few of the comments and questions one can hear as one walks past a marching band practice. With lots of hard work and long hours of it, the band once again enjoyed a successful year. Under the direction of Mr. Martin Friedman, the Bulldog band triumphed over obstacles of a large freshman population and a small band front — boasting five girls — to compete in many competitions around New Jersey. For Halloween, the band got into the spirit by dressing as Bulldog football players. They also performed for the Thanksgiving/Fall Festival pep rally and bonfire. Officers this year include: Robin Goodman, Drum Major; Irina Shlafman, Guard Captain; Stephanie Ruelke, Guard Co-Captain; Suzanne Vadas and Rachel Cutler, Wind Leaders; and Tom Balke, Percussion Captain. Soloists are Steve Dorlen and Mike Shapiro.

# CONCERT BAND TUNED IN TO MUSIC

1987-88 is another busy year for Dayton's concert band. Under the direction of Mr. Martin Friedman, the band has a full schedule of performances, including concerts in Halsey Hall in February and May, and a competition during the spring trip to Maryland. In addition, the concert band is providing the music for Dayton's fiftieth anniversary celebration. The band is also involved with the two junior highs, traveling to both of them to give demonstration performances and offering eighth grade musicians the opportunity to learn about the band by participating in the winter concert. Besides a wide selection of different types of music, the band's concert program also features several chamber ensembles of brass, flutes, and saxophones. In spite of its small size, Dayton's concert band is determined to make music together.

# JAZZ BAND GETS DOWN!

This year the Dayton Jazz Band is getting down to the business of playing lots and lots of jazz. In addition to performing at the annual winter and spring concerts in the school auditorium, the jazz band is scheduled to compete in Maryland on the spring trip, as well as in several local competitions. This year the jazz band is continuing the popular tradition that began last year, by hosting another jazz exposition at Dayton, featuring bands from the four regional schools and from the Manhattan School of Music. The Dayton jazz band is directed by Mr. Martin Friedman, and this year's soloists are Rachel Cutler, Mike Shapiro, Gwen Thompson, and Suzanne Vadas. With a full schedule of performances, the band is always kept busy playing swing, blues, and all that jazz!

# Burn, Baby, Burn!

November 25th, 1987 — DAYTON'S FIRST BONFIRE. The scene started on the back end of the front soccer field at seven o'clock. Hundreds of students and the band gathered around the huge heap of wood as the football team carried a giant paper bear, representing the Brearily Bears, to the awaiting pile. A surge of anticipation and cheer swept the crowd as they lit the fire. In no time the flames danced high in the air as everyone shared the excitement of the upcoming Thanksgiving Day Game.

# DAYTON CHEERLEADERS BRING BACK SCHOOL SPIRIT

We are the mighty Varsity ELITE cheerleaders! The 1987 Cheerleaders brought back a great deal of Dayton spirit this year! The Pep Rally was wild and the first Bonfire ever was so successful; thanks to our cheerleaders! The Fall squad was led by captains Beth Manes and Staci Uchitel, while the Winter squad was led by captains Christina Graziano and Stephanie Schlosser. Attending Summer Cheerleading Camp, planning the Mr. Regional Dance, going to football breakfasts, decorating football, soccer, basketball and wrestling lockers, going to away games and other fun activities have made this year a giant success. The support from our coaches; Miss Duke, Miss Rosania, Mrs. Verschuren and the newest member of our coaching staff, Mrs. McCullough have helped lead us to the end of the best year ever. Thanks for everything!

# DAWGS ON THE GRIDIRON HIT 'EM HARD!!!

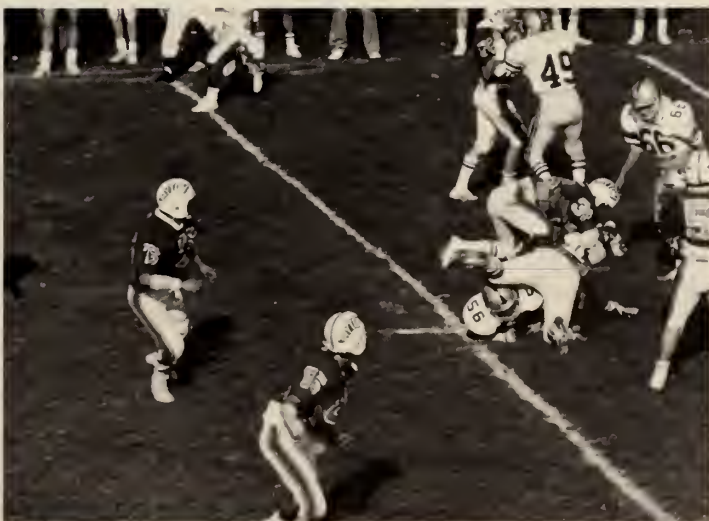

The 1987 DAWGS were faced with a tough task even before the season began. Any time a team must play under a new head coach, hard times could be expected. Unfortunately, such was the case for John LeDonne's squad this year. Yet despite playing a rugged schedule consisting of four state playoff teams, the DAWGS finished 3-6. After opening the season with consecutive losses to Clark and Hillside, the team pulled off a major upset over Roselle. Sparked by a Jeff Stoffer touchdown run and a stunning 60 yard touchdown pass from Gregg Walsh to William Lee late in the game, the DAWGS won 15-12. The following week, in a game televised on TV-3, the team beat Berkeley Heights 20-3. Highlighting the victory was a touchdown run by Jeff Debbie along with two touchdown runs by Walsh. The Bulldogs' final victory came against Parsippany Hills by a margin of 23-7. In the game, touchdowns were scored by Stoffer, Lee, and Walsh and Glen Miske added a field goal. In summarizing the year Co-Captain Gregg Walsh led the team with 900 total yards, while adding 4 rushing touchdowns and 2 touchdown passes. Co-Captain Jeff Stoffer led the team with 38 points, including 6 touchdowns. William Lee led the team in receiving yards while Glen Miske added 2 field goals and 10 extra points. Defensively, Danny Francis, Chris Kisch, and Walsh led the team in tackles. Other stellar contributors included linemen Mike Elson and Dave Koenigsberg as well as end John Saraka. In recognition of their fine performances, Walsh and Francis were selected First-Team All-Conference while Stoffer and Kisch received honorable mention. In addition, Walsh and Francis were named Second — Team All County, All-Metro, and All-Suburban. Walsh was also selected First Team All County Leader and 2nd Team Group-2 All State. Best of Luck to all the Seniors and Thanks!

# BOY'S SOCCER TEAM: WINNERS AGAIN

It was a successful season for the varsity soccer team in 1987 coached by Frank Ortiz. The Dawgs finished 13-5-1 and finished in second place in the Mountain Valley Conference with a conference record of 10-2-1. Senior captains Marcelo Reyna, Kamuran Bayrasli, and Craig Carson led the defense to a successful year in front of goalie Peter Sadin, who finished impressively with 10 shutouts. Senior forward, Kamuran Bayrasli: helped to spearhead a successful offense for the Bulldogs with his experience, "Mr. Offense" had 10 goals, however he did not lead the team in scoring. Junior halfback Jim Barret had 13 goals, freshman Claudio Reyna had 12 goals and "Mr. Defense," Marcelo Reyna added 11 scores. The season was marked with many close games and thrilling victories. In the quarterfinals of the county tournament, the team played a close, hard fought game in Summit, losing in a shootout. Another tough loss was a 3-2 defeat at Ridge in the deciding game for the conference final. Dayton also had its share of exciting wins. A tough 1-0 win over Johnson Regional was a high point in a successful regular season. The highlight of the season was the exciting overtime victory over Governor Livingston. The Dawgs won 4-2 in a tight shootout, defeating their arch rivals in the process. The season came to an end with a 2-0 defeat at the hands of Millburn, in the sectional semi-finals. Mitchell Friedberg, Curtis Feng and Rich Markovich help to solidify the Dawg defense. Brian Teitelbaum and Tom Kelley helped to spark the offense. However, good team play provided a fine season for the Dayton squad.

# THE LADY BULLDOGS SHOW THEIR SPIRIT AND SCORE A GOAL FOR DAYTON!

This year the Girls' Varsity Soccer Team had a successful season. With the large amount of returning sophomores and a few new freshmen, the team was used to playing together and could communicate well. Mr. Arthur Krupp and Mr. John Kovolisky did a fine job in coaching the team in its 6-8-1 season. Senior co-captains Maria Buckley and Lurlene Harrison were the backbone to the team. Lurlene was selected to the second team All-Conference. Also receiving honors were Maria Buckley and Ann Marie Kovacs with Honorable Mentions All-Conference. Seniors Tracy Everly and Staci Weinerman also had a strong hold on the team's defense, with Staci in the goal and Tracy in the full-back position. First year junior, Liz Pabst, led the team to their victories by scoring goals for the Bulldogs. Congratulations to the Lady Bulldogs and good luck in future years.

# Boys' Cross Country cross the finish line In a Winning Fashion

The 1987 Dayton Boys' Cross Country track team again finished a successful, winning season. Finishing with nine wins and one loss in the Mountain Valley Conference, the boys again demonstrated the talent that only coach Martin Taglienti could refine. Captains Rick O'Toole and Jeff Sumner roused their teammates to achieve the teams winning goals. In higher competition, the team finished second in the conference championship, sixth in the county championship, and eighth in their section, showing that Dayton possesses runners of high caliber.

# Girls' Cross Country Runs the Miles With Grace and Speed

Is it raining out? No problem, we have hoods on our sweatshirts. Who says we can't get in a good four miles! This enthusiastic cross country team had a lot to talk about. Captains Wendy Mortensen and Anne Hollister kept the girls running until their feet fell off. Cristella LaRosa and Anne were the strongest runners on the team, and they led their team to many a victory. Although the team was small, the girls had great potential. With an 8-2 record, these ladies landed fourth in the Conference and sixth in the State Sectional meets. Junior Erin McGrath was noticed on the first team All Conference and the second team All County. Senior Anne Hollister was also recognized and elected for the second team All Conference. We are proud of you girls and wish you the best of luck next year.

# GIRLS' BASKETBALL SOARS TO THE TOP OF THE COURT

This year's Girls' Varsity Basketball Team has had a very successful year, ending the season with a record of 10 wins and 13 losses. The team is optimistic about the future, however sorry to lose their senior guard Staci Weinerman. Four starters are coming back next year. Junior guard, Liz Pabst, and sophomores Colleen Drummond, Jennifer Francis, and Lauren Meixner. Staci Weinerman had a very successful year. In the game against Middlesex, Staci scored her one-thousandth point. She went on to become Dayton's alltime leading scorer, with points in her high school career. Junior Liz Pabst lead the team with her dribbling abilities. We are fortunate to have her back next year. Sophomores Colleen Drummond, Jen Francis, and Lauren Meixner showed dramatic improvement from last year to this year. We are optimistic about seeing even better things from them in the future.

# BASEBALL "DAWGS" PITCH FOR A NEW YEAR

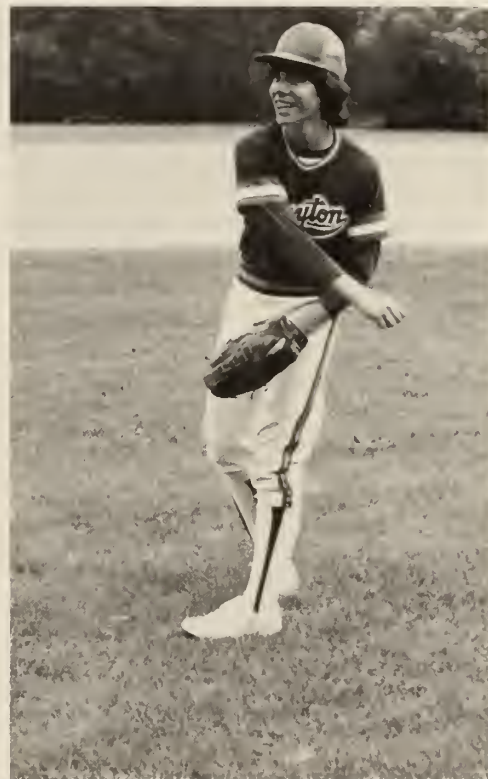

The "Dawgs" struggled through the 1987 season, but have high expectations for the 1988 season. The "Dawgs" will be boosted by the return of eight previous lettermen. The pitching staff will be anchored by Dave Lissy, Dan Lissy, and John Saraka. Their battery mate will be senior, Jamie Downey. The infield will be strong up the middle with Michael Mancuso and Pete Kozubal. Offensively, Glen Miske, junior first baseman, should be successful. The outfield will be led by Craig Carson and Eric Incandela. The "Dawgs" will be looking for contributions from other juniors and some sophomore surprises. Coach Iacono is confident that his fourth year as head coach will be filled with success.

(Top Left) Dan Lissy trying to steal third base. (Top Middle) John Saraka hiding the ball. (Top Right) Mike Mancuso throwing another fly ball. (Bottom Left) Jamie Downey getting angry. (Bottom Right) Matt Swartz showing his muscles.

# LADY BULLDOGS MAKE A GRAND SLAM SHOW!

The Dayton Varsity Softball team is looking good this year. The team consists of many returning lettermen, and some promising underclassmen. We are looking for good things from seniors: Dana Fischer, Lurleen Harrison, Robin Mishkin, and Staci Weinermen. With these girls, juniors: Brenda Hockstein, and Karen Geraghty, and other fine athletes, the team should have a very successful year.

Players on the Dayton Softball team strut their stuff on the playing field. In hitting, catching and fielding, these Lady Bulldogs are always grand slamming!

## DAYTON GOLFERS ALWAYS ON PAR

Bottom Right: Scott Marinelli has great style!

# VOLLEYBALL VIXENS SET UP FOR VICTORY

This volleyball season is the culmination of three years of hard work. Four of the starting six players, Pamela Nadzan, Eileen Brumley, Roopal Desai and Preeti Singh, all of which are seniors, have striven together over the past three mediocre seasons. During this time, these girls have improved the teamwork skills, and as a group have led the team to many outstanding victories. Irene Wasylyk, a sophomore, also contributed to this team's success. The girls have proven their determination and strength by competing well against some of the toughest competition in the nation. Thanks to Coach Steven Fenton and our dedicated manager, Rachel Cutler, the season of 1988 was an outstanding, as well as enjoyable one. To All Varsity Players, It's been a great four years. The memories: MOOSE; "Darlin' you send me"; McDonald's; NaReel; will last forever! Thanks for everything, and we love you all. Love, Captains Pamela And Eileen

Top Left: Captains, Pamela Nadzan and Eileen Brumley, sit for a smile. Top Right: Robin Goodman eagerly waits to pass the ball. Bottom: "All in the Family."

# DAYTON TRACK TEAMS "SPRING" INTO ACTION.

Top Left: Mark concentrates intensely before his race. Top Right: Robby leaps to new heights. Middle: Andy is frozen in mid-air. Bottom Left: Is Hal trying to shish-kabob someone? Bottom Right: Jeff demonstrates his flexibility.

Many Dayton students compete in the Girls' Spring Track program. Through much practice, they prove that they are one of Dayton's finest teams.

Though I am young, and cannot tell,/Either what Life,  
or Death is well, /Yet I heard, they both beare  
thorns,/And both do aim at human scorns. /And when  
again I have been told,/Life wounds with heat, as Death  
with cold;/So that I fear, they do but bring/Extremes to

over the past 4 yrs. We have each grown, matured and changed in many ways. We have been the Best of Friends. Always providing a listening ear, a friendly smile or a shoulder to cry on. There are 12 of us but we are commonly viewed as one. In the simplest terms you see us as you want to see us. We are all individuals and in our own ways. We are each a brain, an athlete, a wierdo, a delinquent, a snob and a jap... the Japs!

## STEPHANIE,

Friend —

A seeing mirror of myself, and I of you.  
My shadow, my other half, my confidante,  
And I, yours.

So alike that I often wonder —

If we hadn't lived at the same time,  
And fate had not fancied our meeting,  
Would we not feel that something —  
A piece of ourselves was missing?

You are my missing piece.

Because we are so different,

We have so much to share —

Because we are so alike,

We understand each other so well.

I LOVE YOU LIKE A SISTER, MELINDA
